MEGA-BETH

Blonde Beth's bra busters!

THE year 2015 was a momentous one, readers. Lithuania joined the Eurozone, Ireland legalised gay marriage and NASA found evidence of water on Mars.

Yeah, we can hardly hold our beers we're quivering with excitement that much, but what's even more COCKSMACKING is that it was also the year that Beth Lily's tits grew from – wait for this – a size 32G to a size 32GG.

Yeah, you read it right. A whole 'G' bigger.

Mind you, that was when she was about 19, so she was still a growing girl. Still is, apparently.

Latest reports have those giant CHEST PLANETS of hers at 32H, and we're not gunna argue with that.

We reckon when something is big enough to influence the tides off the coast of Chile, like Beth's chest does, you give it some respect.

The all-natural awesomeness of her rack for the ages makes us wonder, once again, about the shit-hot amazingness of the universe, and just how beaut tits are. **Picture**

Reade ABOUT IT!

The return of a blonde bombshell

REALITY TV fans in the UK knew her as 'Dogface', 'cos that's what she officially changed her name to while she was on the 2009 series of Pommy *Big Brother*.

But we prefer to call the generously-gazonga-ed Pommy model Sophie Reade by her real name. Which is Sophie Reade, in case you hadn't guessed.

Sophie went on to win *Big Brother* that year, and embarked on a fast-paced life befitting a new minted blonde reality TV star with humungous norks.

Glamourous parties full of C-list celebrities, drunken dates with overpaid soccer players and appearing on morning television with hangovers that could kill a brown dog – all that good stuff.

Oh yeah, she was really living *la vida*

SHE'S SIMPLY THE BREAST!

New Tits

On the block

loca for a while there, when she wasn't hauling her beaut cans out for photo shoots for men's mags and the third page of the Pommy papers.

All good things eventually come to an end, and Sophie decided she wanted a little down time to, y'know, SORT FINGS OUT.

So she retired to the countryside to raise ducks or something, commune with fucken nature and watch the grass grow.

But you can't keep a GREAT pair of tits down. Not that we'd want to try.

Yep, Sophie's back, and from where we're standing, her legendary norks are finer than ever.

Word is she's auditioning for some new TV projects, so don't be surprised if you don't see her on an island, in a jungle or UP A FUCKEN GUM TREE on your TV soon.

These days she takes a philosophical view of her roller-coaster career.

"Because I get my boobs out for a living people think I'm tacky, an airhead and I'll have no personality," she said.

"But I think people can see past that."

And isn't that so fucken true, readers?

ALL ABOUT
TIT!
"I GET MY BOOBS OUT FOR A LIVING"

OFF THE RAILS

OFF-her-rocker mad American bitch Carol reckons she's married to A RAILWAY STATION. Carol, 45, now calls herself Carol Sante Fe after her 'marriage' to the Sante Fe Depot, in San Diego, California. Although she's a bit shy about it, she reckons they even HAVE SEX. "There is a private bit where two walls meet, I go there to touch her, which I do by leaning against her with my clothes on. When I'm touching her, I feel as though it actually holds me and kisses me. I especially like it when I hear the trains rev up their engines – it turns me on."

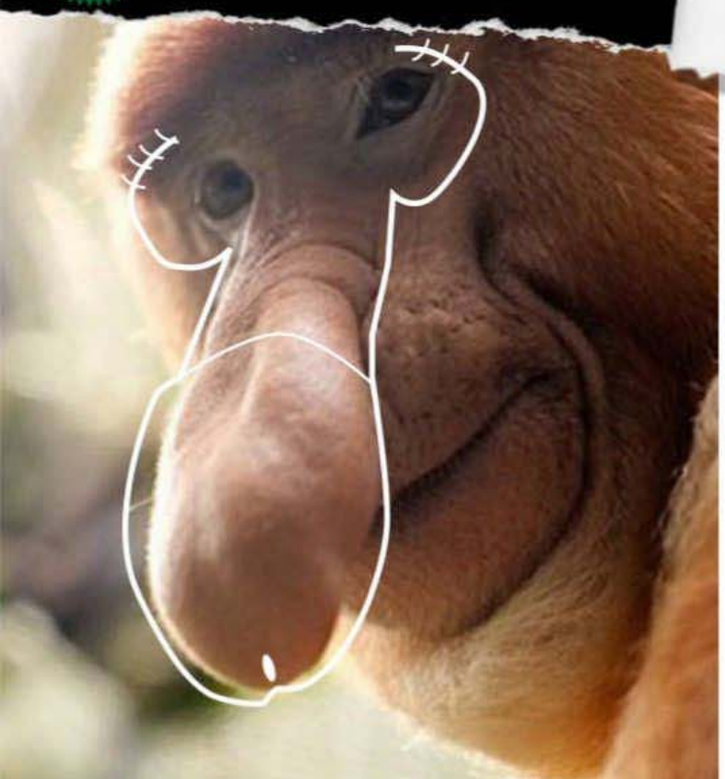
#296 WE DREW A COCK ON IT

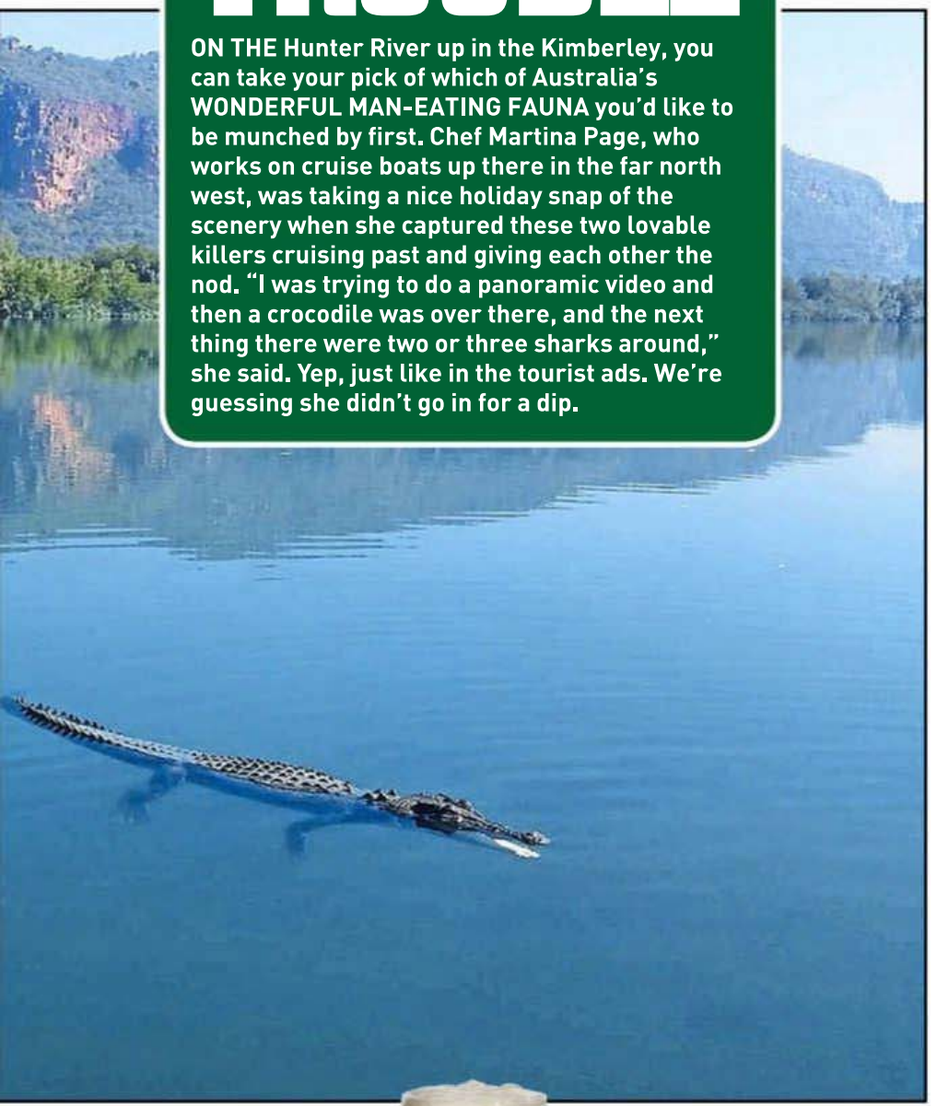


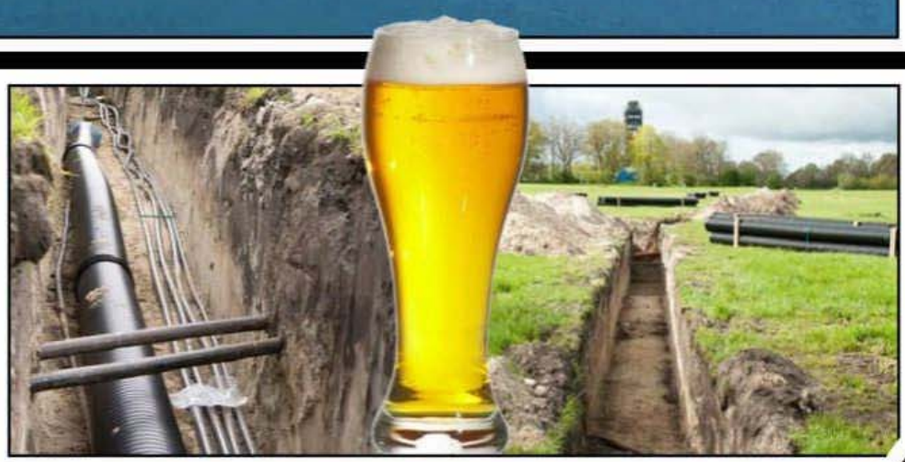
GULL-IBLE BASTARD!

IT'S the same all over the world – there's no love for the BEACH CHICKEN. Icelandic postie and amateur photographer Finnur Andrésson spotted this bread-loving FEATHERED RAT get into a mess by the harbour in Akranes, Iceland, and instead of trying to help it, decided to further humiliate it. "I was very glad I was in the right place at the right time, sniggered the BIRD-HATER. "It was exciting and funny to watch."

DOUBLE TROUBLE

ON THE Hunter River up in the Kimberley, you can take your pick of which of Australia's WONDERFUL MAN-EATING FAUNA you'd like to be munched by first. Chef Martina Page, who works on cruise boats up there in the far north west, was taking a nice holiday snap of the scenery when she captured these two lovable killers cruising past and giving each other the nod. "I was trying to do a panoramic video and then a crocodile was over there, and the next thing there were two or three sharks around," she said. Yep, just like in the tourist ads. We're guessing she didn't go in for a dip.





BEVVY METAL

PUNTERS at the Wacken rock heavy metal festival, which kicks off in Germany in August, will be treated to a BEER LIFELINE. Festival organisers are installing a seven kilometre-long underground pipeline to pump in DRAUGHT BEER, instead of trucking cans or bots onto the site. Once it gets going, the 35cm-diameter pipeline will SPOOF OUT a pint a second for thirsty head-bangers there to see Megadeth, Alice Cooper, Napalm Death and other skull-busters.

GOD LOVES TITS

STRICT Mormon Allegra Cole doesn't see a problem with her churchy background and being a HUGE-TIT GLAMOUR MODEL. The 47-year-old former music teacher from Salt Lake City, Utah, has had her gazongas pumped up to a staggering 34MM bra size and these days makes up to A$130,000 a year posing for TITTY PICS. "I still believe in the core values of the church, their family values, but I couldn't live with some of the principles," she reckons. Having HEAVENLY HOOTERS hasn't been with it's downside, but. "Tying my own shoes is difficult, and getting through doorways or narrow spaces can be tough."

Carl's guide to celebrity gash

Celebeauty, Fantastic Hollywood

1. BRITNEY SPEARS

Brit may have gone completely fucken mad for a little while there, but she always remembered to get her snatch out for the fans, bless her.

2. LILY ALLEN

Can't sing for shit? No worries, says Lil. I'll just hoick out me furry foo-foo and ride it to the top of the charts!

G'DAY, movie starlets and supermodels. Giz a sly geek at ya flange? Fuck ya, then.

Carl here, and I reckon if ya not FLASHIN' YA GASH on a regular basis, then your career's heading for the ditch and you'll probably wind up hosting soccer coverage on the ABC.

'Cos all the top celebrity sheilas know that gving the public a peek at their punani now and then is the best way to stay CULTURALLY RELEVANT.

So if you haven't had a hit for yonks, all your dosh has gone on rehab and court settlements and even Lindsay Lohan won't return your calls, it's time to ditch your undies, put on a mini and climb backwards out of a limo towards the cameras.

And remember to smile. Picture

As a *Playboy* model Daisy knows the power of the smoo. She gets it out when she's going down the shops for smokes!

4. POPPY DELEVINGNE

She hasn't got one big eyebrow to fall back on, so Cara's big sister gave her trusty mouse's ear a run in the sun.

5. MILEY CYRUS

Even if you've never heard her sing, you've probably had a close-up eyeful of Miley's snatch. And, frankly, that's the way you'd want it.

7. KIRSTEN DUNST

It's a long time between *Spiderman* movies, so Kirsten keeps her name in the press by putting her cooch out there.

9. PARIS HILTON

Paris wrote the book on vaginal fame. All the stinky perfumes, dud movies and crap DJ sets are mere support acts to her celebrity clunge.

GREAT WHITE FAARK!

Salty bastard says "get fucked" to gravity

WE DON'T think it's any great surprise that 73-year-old NSW fisho Terry Selwood was attacked by a FLYING GREAT WHITE SHARK near Evans Head the other day.

In fact, WE'D BEEN EXPECTING IT.

It's just a pity old Tezza had to become the MEAT in the sandwich in the looming battle between humanity and EVERY OTHER FUCKING THING ON THE PLANET.

Especially in our neck of the woods, where the wildlife is particularly brutal.

Terry swears blind this thing, all 200kg and 2.7m of it, just came flying out of the water and landed in his boat, where it proceeded to go bananas and smash things up a bit.

Terry, being no dummy, got out of its way, but still managed to get a couple of good whacks for his trouble.

He managed to radio local marine rescue volunteers, who came and got him and the good news is Terry lost a bit of claret but will live to fish another day.

The shark, on the other hand, is kaput.

So it looks like Terry won this round for us. With his valiant effort, we've managed to fight off another UNNATURAL SHARK ONSLAUGHT, but we must continue to be ever vigilant.

Next thing ya know, some silly bastard will be teaching 'em to walk... Picture

HARD BLON

A tool-teasing tribute t

WORD on the street is that they have more fun.

Some people reckon they're a bit thick, but that's crap 'cos we know heaps who are plenty smart.

Yep, blondes are bloody GROUSE, be they strawberry, platinum, honey, dirty or BOTTLE.

Some important blonde facts:

- Blonde central is Scandinavia and around the Baltic Sea.
- Blondeness is caused by low levels of the pigment eumelanin.
- Blondeness is rated on the Fischer–Saller scale ranging from A (light blond) to O (dark blond).
- "Blonde" is one of the few adjectives in English to have separate male and female grammatical genders. So only chick blondes have an 'e'.

Anyway, that's enough of our yackin'. Get stuck in! ■ Picture

Q. WHY DO MOTHS FLY WITH THEIR LEGS OPEN?
A. HAVE YOU SEEN MOTHBALLS?

F.Z., BOOYONG, NSW

A MAN phones the emergency line and shouts frantically into the phone; "Help, my wife is pregnant and her contractions are only two minutes apart!"

"Is this her first child?" the dispatcher asked hurriedly.

"No, you idiot!" the man shouted. "This is her husband!"

K.D., BOYA, WA

TWO simple blokes, Bubba and Bob, are sitting at their favourite pub, drinking beer. Bubba turns to Bob and says, "You know, I'm tired of going through life without an education. Tomorrow I think I'll walk down to the TAFE, and sign up for some classes."

Bob reckons that's a pretty good idea, and the two leave.

The next day, Bubba goes down to the TAFE and meets the dean of admissions, who signs him up for the four basic classes: Math, English, History, and Logic. "Logic?" Bubba says. "What's that?"

"I'll show you," the dean says. "Do you own a whipper snipper?"

"Yeah," replies Bubba.

"Then, logically speaking, because you own a whipper snipper, I think that you would also have a yard."

"That's true," says Bubba. "I do have a yard."

"I'm not done," the dean says. "Because you have a yard, I think logically that you would then have a house."

"Yes, I do have a house."

"And because you have a house," continues the dean. "I think, logically, you'd have a family."

"I have a family."

"I'm not done yet. Because you have a family, then logically you must have a wife."

"Yes, I do have a wife."

"And because you have a wife, then logic tells me you must be a heterosexual."

"I am a heterosexual! That's amazing!" exclaims Bubba. "You were able to find out all of that because I have a whipper snipper!"

Excited to take the class now, Bubba shakes the dean's hand and leaves to go meet Bob at the bar. He tells Bob about how he's all signed up for Math, English, History, and Logic.

"Logic?" Bob says. "What's that?"

"I'll show you," Bubba replies. "Do you have a whipper snipper?"

"No," says Bob.

"Well," explains Bubba. "Then you're fucking gay."

JOKE OF THE WEEK WINS $100

A CHINESE doctor can't find a job in a hospital in Sydney, so he opens his own clinic and puts a sign outside 'GET TREATMENT FOR $20 – IF NOT CURED, GET $100 REFUND.'

A young lawyer thinks this is a great opportunity to earn $100 and goes to the clinic.

Lawyer: "I have lost my sense of taste."

Chinese doc: "Nurse, bring medicine from box number 22 and put three drops in patient's mouth."

Lawyer: "Ugh, this is kerosene!"

Chinese doc: "Congrats, your sense of taste is restored. Give me $20."

The annoyed lawyer goes back after a few days to recover his money.

Lawyer: "I have lost my memory. I cannot remember anything."

Chinese doc: "Nurse, bring medicine from box number 22 and put three drops in his mouth."

Lawyer: "This is kerosene. You gave this to me last time for restoring my taste."

Chinese doc: "Congrats. Your memory back. Give me $20."

The fuming lawyer pays him, then comes back a week later determined to get his $100.

Lawyer: "My eyesight has become very weak I can't see at all."

Chinese doc: "Well, I don't have any medicine for that, so take this $100."

Lawyer: "But this is $20, not $100!!"

Chinese doc: "Congrats, your eyesight is restored. Give me $20."

A. IT WAS A TERRIBLE END, BUT A BEAUTIFUL FINISH.

A.V., CAMBROON, QLD

A YOUNG bloke walks into a pub and orders a shot of bourbon.

He sculls it and orders another. He also sculls this one and orders again, quickly. The barman enquires, "So, what's the occasion?"

The lad replies, "My first blowjob".

The barman feels somewhat proud of the lad and decides to reward him and give him something on the house.

"In that case, have a shot of top shelf!" the barman says with a sense of pride.

The lad quickly sculls it and says, "Now, if that can't wash the taste out nothin' will."

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at:
https://twitter.com/ThePictureMungo

TRI-SEXUAL

MUNGO, seeing as how Australia's three hottest babes – that's Kylie Minogue, Delta Goodrem and Sophie Monk – are all single, surely you can't convince them to do a three-way nudie spread in THE PICTURE so they can pull a bloke each.

M.K., EASTLAKES, NSW

MUNGO SAYS: Yeah, that's an A-team right there. Sexual fantasy wise, they've got immortal status written all over them. OK, you could argue for an Elle McPherson, or maybe a Holly Vallance, but you can't tell me you'd throw Delta, Kylie or Sophie outta bed for eating cookies.

THREE AMIGOS

ALL the excitement over Schapelle's return again shows how much we Aussies love our crims. There's the early convicts, Ned Kelly, Chopper Read and yourself - all great Ocker icons. We love them like the Poms love their royals and the Kiwis their sheep. Wouldn't it be great if we had an Aussie Crims Hall of Fame in our national capital? That'll be something else for you to do when you get off your fat arse and stand for parliament.

C.M., LABRADOR, QLD

MUNGO SAYS: I thought we already had an Aussie Crims Hall of Fame in our national capital. Parliament House. Nyuk-nyuk-nyuk. But seriously folks, why did the senator cross the floor? Off his face on mushies, didn't know where the fuck he was. OK then, I'll run the country for ya. But I want a pie-warmer and my own brasco. And remember this – the people who really know what's going on aren't talking, and the people who don't have a clue, you can't shut them up.

GOOD ENOUGH TO EAT

AS A woman, I love Scarlett Morgan's cooking in the nude segments. I reckon there should be a lot more of it, especially if she has another chick to lick off any food that gets spilt on her. I would like to volunteer for that job, because even though I love my husband's cock, I have always maintained a healthy interest in vagina, and I think Scarlett's would be sweet as. Just sayin'. Licky licky!

VIRGINIA, BURLEIGH HEADS, QLD

MUNGO SAYS: Yeah, why not? We hate wasting food. We'll keep your application on file. You'll be hearing from us. In the meantime, we thought it's about time we had a tit-off between Oz's finest – Scarlett and Angela White – so look out for that next week.

MUNGO WANTS TO KNOW...

When your packet of chips won't drop into the vending machine tray, how much violence are you permitted to commit to get your snack? Is using a forklift going too far?

GET UP AND DANCE

A LITTLE while ago I had a total hip replacement operation, which REALLY FUCKEN HURT. But all the pain was forgotten when the missus gave me the new issue of THE PICTURE! She's a fuggin' champion that girl.

P.L., MILDURA, VIC

MUNGO SAYS: Yep, eight out of 10 doctors recommend THE PICTURE. When taken regularly, it takes away all the pain and makes the world seem like a better place. Beer rainbows and meat-pie trees. Free parking. No queues at the bar. Those other two doctors are outta their fucken minds! Good luck with the hip. You realise that your Macarena days are over? So there's always a silver lining.

HUNG LIKE MUNG(O)

MUNGO, I thought I saw you in a porno the other day, at least it looked like your ugly mug, but the bloke had a decent-sized cock on him so it probably wasn't you. I wanted to know, have you ever done, or been approached to do porn?

MARGOT, ALBURY, NSW

MUNGO SAYS: People have tried to film me fucking for ever. I dunno what it is, but I'm like the Donald Bradman of fucking, and they all want to analyse my technique. Won't do 'em any good. Some of it's so technical, they'd need me to explain it, and I charge by the word. Who knows, but, one day I might release a training video. Prepare to have your minds blown.

Kiwis may be flightless birds, but that didn't stop New Zealand racing driver Scott Dixon getting some serious air during this year's Indy 500. Scotty was about a quarter of the way through the 200 laps of the Brickpit, in Indianapolis, USA, when he copped a bit of a nudge from pommy pest Jay Howard, whose car bounced off the wall and into his. Next thing ya know, Scotty's car has gone ARSE OVER TIT 10 metres in the air, then burst into flames and busted in half on RE-ENTRY. It was looking like a bucket of scrap metal as Scotty climbed out, brushed the dust off his race suit and legged it off the track under his own steam. "I was a little beaten up out there. It was a bit of a rough ride," he said, with his trademark Kiwi no-worries-bro, who-gives-a-fuck, does-your-little-sister-like-my-tattoos, cool-as-shitness.

EARTHQUAKES!

Talking Dirty WITH TRINITY

IN YOUR FACE!

HI TRIN. I have a great sex life with my girlfriend. My favourite thing is to finish on her face, like they do in the porn movies, but I don't think my girl really likes it that much. She always acts a bit weird when I do that. Do you like it when a bloke does that? Where should I be shooting my load?

IAN, PENRITH, NSW

***TRINITY SAYS:** To be honest, for years I was totally against it. It was just something that I found disrespectful (don't know why, I just did) but these days I don't mind it so much. People have their limits mate, and sometimes we might not understand them, but they are what they are. Just be patient, she'll come round. In the meantime, try on her arse or tits instead.*

COME AGAIN

HEY Trin. I was jerking it the other day and feeling very horny. Instead of jizzing and cleaning up, I kept on wanking and JIZZED AGAIN. That's never happened before. I didn't know men could do this. Anyway, just thought you should know.

ACE-MAN, BRISBANE, QLD

***TRINITY SAYS:** Awesome mate! There's always first times for everything. Keep exploring your limits and you'll be pleasantly surprised what you can achieve when you put your mind to it!*

DICK TRICKS

TRIN, I remember you talking about grinding inside my girl instead of just thrusting. I've tried this and my missus loves it. So I wanna know what other secrets you've got that I can try out! My missus would be super grateful.

RON, BRISBANE, QLD

***TRINITY SAYS:** Grinding is the best! I have my most powerful orgasms that way. Glad you're enjoying it too. Another thing I really enjoy is that while I'm being fucked, I like to have the other person rubbing and massaging their hands all over my back and arse. The dual stimulation and sexual relaxation of the rubbing and touching makes it so much better.*

TAKE MY VIRGINITY

WILL you root me please, Trin? I'm a virgin who lives in the middle of nowhere and reckon you'd be the perfect chick to lose it to. I think you could teach me a few things too. I'll even pay you heaps of money if you want. Also, can one of my mates take photos while we are doing it? He's a real good bloke.

RATBAG, LITHGOW, NSW

***TRINITY SAYS:** Dare to dream! Sorry mate, you're a bit far away for me these days. Good luck finding someone that will let you do that while you fuck them. If I was you I'd just concentrate on getting my skills up instead of documenting it.*

HAIRY POTTER

HI TRINITY! What are your thoughts on pubes? I haven't trimmed mine in about a year so my fun zone looks like Chewbacca's face. I actually like chicks to have a down below fro, so hopefully they will appreciate mine. What do you reckon?

HARRY, HOBART, TAS

***TRINITY SAYS:** Man-scaping is essential. Sort your life out, mate. No woman wants a face full of sweaty crotch hair.*

JAILHOUSE COCK

I'M SERVING time at the moment, but these mags really help the hours tick by. I just wish we could get more of them in here. You are #1 on my fuck list when I get out of here. I'm great looking and can fuck all night. Reckon you'd be up for something like that? I can also get just about any illegal thing you could ever want.

SKIDDY, PERTH, WA

***TRINITY SAYS:** Wow, I like how you think getting illegal substances is a selling point for yourself. Dude, you need to sort ya head out. That's not a priority for me when it comes to fucking someone. But I'm glad I can help you pass time while you're there.*

CHINESE DELIVERY

HEY Trin, I'm a white bloke and my mate Aaron told me that I don't need to wear a condom when I'm fucking an Asian bird because there's no risk of pregnancy as we have completely different DNA. Which is a massive relief because I went bareback on this Chinese chick the other week and was worried there could be a few mini half-Chinese versions of myself running around in the future. His reasoning sounds pretty legit to me, but I'm not certain - can you confirm this for me please?

BULLFROG, ADELAIDE, SA

***TRINITY SAYS:** Wow, are you really that stupid? Of course you can get Asian women pregnant! Plus not getting pregnant isn't the only reason for wearing a condom, it also helps protect against a variety of sexually transmitted diseases. You tell your mate Aaron that he's a fucking idiot and not to go talking shit about things he knows nothing about.*

Get up ya SOOK!

WHO:
A lady driver

WHERE:
Portugal, we think

WHAT:
A pencil in the face

OUCH FACTOR
91%
Pretty painful, but by no means a WRITE-OFF.

WE HAD all sorts of theories as to how this might've happened:

* She was picking her nose with a pencil on the bus and someone jostled her elbow.
* It's some new PIERCING FAD all the kids are into.
* She was doing a crossword when she went to slap a fly on her cheek.
* An alien race of pencil people invaded Earth and tried to mate with her through her nose.

Not surprisingly, we were COMPLETELY FUCKEN WRONG on all counts.

The plain, matter-of-fact-truth is, our lady friend here was driving and became involved in a bingle.

When her airbag deployed, it pushed the pencil in her shirt pocket up into her face, and... well, you can see the NASTINESS that ensued.

Luckily it missed her eye by a LASH, and doctors were able to extract the pencil without too much trouble.

So GET UP, YA SOOKETTE, and just be thankful you weren't carrying a pitchfork in ya pocket. ■ Picture

BI BRIKEY!

Uma bats for both sides

WHAT WILL SHE GET UP TO NEXT?

LIKE many of her colleagues in the wonderful world of porn who started out only doing lezzo, Uma Jolie had to eventually face the ultimate dilemma – to do dick, or not to do dick?

Yeah, that's the fucken question alright, readers.

Beautly for all concerned, and after giving it careful consideration, the 22-year-old from the suburbs of LA decided: "Fuck yeah!" and jumped into cock wrasslin' with all the wide-eyed enthusiasm she had previously reserved for smoo smashin'.

'Cos while she still loves to lick the lady bits, deep down she reckons she also really digs the peen.

How did this spiritual journey start for you, Uma?

"I was doing some erotic modelling and I was offered the chance to do some girl-girl porn. And I love girls! So why wouldn't I do it? Why wouldn't I want to get paid to fuck girls? And everything fell into place.

"From there, eventually I decided I had to have the penetration of a man.

"I WANT A MULTI-GENDER-ORGY!"

"I LOVE A 69 WITH A WOMAN"

The man aura is very sensual. But I still love my women."

So what's that called, technically? Hetero-curious? Bi-thingummy? Weekend lezzo?

"I hate having to put a label on it. If I'm having fun, that's all that matters."

Fair call. So if you had to write your own movie script – and we certainly hope you will one day – how would it turn out?

"I would love a multi-gender orgy with men AND women. Naked bodies everywhere. Bitches on top of bitches, and guys on top of bitches. Whipped cream, chocolate, strawberry syrup everywhere. That'd be heaven."

Sounds... sticky. Well, as they said in that other movie, don't just dream it – DO IT. So while you're waiting to achieve that, what's the kinkiest thing you've done in your career so far?

"Getting fucked by a machine. That was really weird. It was cool, and so intense. It hit all the right spots."

Damn machines! They'll do us all out of a job one day. You've done a lot of scenes with girls and buzzy smoo toys, but is that how you like to roll when you have a LADY DATE?

"I like using vibrators but I do like to see their reaction when I go all-natural and just eat them out and finger them. And I love a 69 with another woman."

Yes, tis a thing to behold. Take care, and remember – live that dream, babe! ■ Picture

A BRIT O Alright!

Britney's body is heaven-sent

YOU know those chicks that can drink a THOUSAND beers, get in a fight with a Maori bouncer and still back up for work the next day? We're here to report that 22-year-old Britney is NOT one of them.

"I've got the worst hangover right now," groaned the stunna from Wollongong. "I'm a really bad drinker and now I'm paying the price. I had a good night, though."

We forgive you, but only if you give us the gory details...

"It was supposed to be a

girls' night out, but it ended up messy. I ended up getting with this guy who turned out to be a real wanker."

Did you take him home?

"No, and I hope I don't see him again. He started trying to pick-up my friends too."

Do you like rooting when you are on the turps?

"I like being fucked hard when I'm drunk for some reason. And I like doing it all night. I'm not usually like that when I'm sober."

Go on...

"I once did it with a guy in the alley outside a club. We were up against a wall. One minute we were kissing and the next thing I knew we were going for it. It was all over pretty quick, though."

Is that the weirdest place you've boned?

"I once gave a friend a blowjob on a trip to Byron. It was pretty difficult because of the bumpy road we were on."

That's your taxpayers' dollars at work. Where will you strike next?

"I'd love to do it on the beach or just near the ocean. Just doing this shoot was getting me quite turned on."

Don't give up on your dreams! ■ Picture

My Worst Fuck

SCARY MARY

THE saying when I was a young bloke was: "A fuck's a fuck," so I wasn't too discriminating. If they were up for it, so was I.

That worked up to a point, then I started to have second thoughts.

The night it all turned around was when I was at a party and this older babe was eyeing me up. I was shifting a few beers, so I didn't exactly have all my faculties about me.

She seemed dead keen and had pretty much laid it on the line that if I rocked back to her place she'd show me the time of my young life, so I thought, "You bewdy!". We stumbled out into a cab, and everything was a blur until we were at her joint.

She poured me about half a schooner of scotch, then kept tryna shove her tongue down my throat while she groped my cock.

When I didn't crack a fat straight away she got pissed off and ordered me into the bedroom, where she did a bit of a striptease down to her shabby black undies that showed off her crap tattoos.

When she turned on the bedside light I could see all this weird shit on the walls – monster dildos and whips and shit – and her grinning up at me like a mad bitch and I thought, "Shit, this is a bit odd."

Was it fucken what! While I was fucking her, she kept grabbing vibrators and tryna shove them up my arse, or she'd be asking me to whip her or put a spikey ring around my cock and fuck her with that.

In the end she said she wanted to tie me up with some silk scarves, so I let her have a go, and then when she thought I was strapped down she came at my arse with this huge fucken dildo.

Mate, I ripped those scarves off the bedposts, grabbed me gear and bolted.

T.J., ENFIELD, NSW

THE OLD UNI TRY

FOR a while in my mid-20s I had an early attack of the cougars and decided I'd fuck as many younger blokes as I could.

I'd busted up with my long-time boyfriend, had a crack at being a lezzo but that didn't stick 'cos I liked dick too much, and settled into a phase of pouncing on young boys – 19 to 20-ish – at the uni bar and racing them off back to my flat.

It was getting to be a bit of a drag having to point out where my clit was and lend them money for their bus fare home, but it really hit the pits this time I pulled this young, dopey-looking hunk.

He was tall and gawky and probably shaved about twice a week. Once I got him home I had to coax him upstairs by promising he could play the X-Box, and then I had to kick back with a vodka while he played some stupid fucken game.

He got pissed off when I tried to suck his dick, making him miss a troll he was shooting or something, so I grabbed the controller out of his hand and shoved my tits in his face to give him a motorboat.

I grabbed his hand and shoved it into my dripping snatch, and for a while he seemed to get some decent rhythm going, but then he lost interest and asked if I had any Red Bull.

I poured him a shot of whisky instead, and while he drank it I ground my cunt up and down his thigh, leaving a distinct snail trail as I did.

He was looking a little green as I threw him on his back and mounted him, just managing to get his cock hard enough for penetration. He gave me a few pumps before he started mumbling: "I feel sick" and bolted for the bathroom to have a hurl.

I had to finger fuck myself, then I rang his mother to come and pick him up.

YOU NEVER CAN TELL

YOU always think if you set everything up just right the perfect root is within reach, but it doesn't always turn out like that.

I was on a promise with this babe I'd been doing my nuts over for months, so I made sure I had everything necessary so it was all gunna be great.

We were gunna hook up at a party, then go back to my joint, where my flat mate was clearing out for the night and I'd left everything ready – spare booze, some smoko, clean sheets etc.

Right, first thing out the box – she's rat-arsed when I get to the party, practically sucking other blokes' cocks on the couch, so I've got to delicately untangle her from all that action and re-negotiate our little plan.

After a while she remembers she'd promised to fuck me that night, gets all horny again, and starts to strip off in the middle off the party. Bad idea, 'cos it inevitably attracts a lot of attention, but I manage to get most of her clothes back on, get her into a cab and away.

She passes out in the cab, so I have to wake her up and pretty much carry her upstairs, where I brew up some coffee to make sure she's OK and not too blasted. Gotta be the gent, y'know.

Then out of the fucken blue my flat mate comes home, charismatic bastard that he is, and he just happens to have a bottle of champagne, and he's charming the fucken pants off her.

She gets it in her head that it's now gunna be a threesome, but it turns out she's way more interested in fucking my flatmate than having anything to do with me.

So eventually I leave them fucking on the couch while I go to bed and have a wank.

Sometimes plans just don't work out.

"I'm doing skimpy work - it's amazing!"

BAILEY
BRUNSWICK, VIC

Throwing away the scissors gave 24-year-old Bailey a new career – and plenty of pub drinkers something hard to hang their coat jackets on. "I am a qualified hairdresser, but I needed a change as I did not like it. Now I'm doing skimpy work. It is amazing. I get to chat to great guys all the time – getting paid to party, basically. I really love being active and getting out there." ***What celebrities do you model your raunchy behaviour on?*** "Rhianna is sexy as hell. I love everything about her and her music. She's pure sex appeal." **TELL US ABOUT YOUR HOTTEST PHONE SEX EXPERIENCE.** "The sexiest thing I've probably done is having phone sex with a girlfriend and getting horny. My boyfriend was asleep at the time, so I got him hard and jumped on. He was like, 'this is awesome'."

RAEVEN
MELBOURNE, VIC

Customer service rep Raeven has extensively decorated her beaut body. "I love that you can express yourself with tattoos. Some people put art on their walls; I put it on my skin. I have been tattooed by people all over Australia and even the world. Now I am working on a massive back piece." ***What is the most intimate position you've been in in a tattoo parlour?*** "Probably getting my sternum or my butt tattooed. But thankfully they weren't creeps at all." ***Would a guy with a barbershop tattooed on his cock make you; a) laugh, b) shocked, or C) horny?*** "I think my first reaction would be to laugh." ***We won't be showing you then.***

TELL US ABOUT YOUR HOTTEST PHONE SEX EXPERIENCE. "Well, I am super-boring on this front. I have never actually had phone sex. I prefer to leave the steamy situations for in person."

SCARLET
WOODCROFT, SA

It's heart-warming when homies embark on voyages of discovery. "We are relatively new to swinging," says 27-year-old website designer Scarlet. "We've had a couple of group sessions."

Are you auditioning? "We are looking for some people to regularly play with. It means we still get to meet new people and be quite social. I have a huge stash of photos and videos; we like to show them off to our friends and people in the kink and swinging scene." ***Are you having fun?*** "My hottest experience so far is a foursome. We swapped partners. The guy had a massive dick. I got spit-roasted and I also licked the chick's pussy. I really enjoyed both experiences."

TELL US ABOUT YOUR HOTTEST PHONE SEX EXPERIENCE. "I'm horrible at phone sex. I've never tried, because I can't seem to talk dirty."

"It's good fun to go naked with friends"

JESSICA
BRUNSWICK HEADS, NSW

After working all day at her shop, 34-year-old Jessica likes nothing more than a refreshing dip in her pool – and to save time, she doesn't worry about putting on a costume. "Nude is the only way to go. No-one can see in my yard, so why bother putting on a bikini?"

What about in more public arenas?

"There are a few good places for a skinny dip in this area – lots of beaches and a couple of creeks. It's good fun to go naked with friends and we like the looks on dog walkers' faces when they stumble on a few hot girls running around the sand naked."

TELL US ABOUT YOUR HOTTEST PHONE SEX EXPERIENCE. "Why bother with that when you can have the real thing in person? The only sexy thing you need a phone for is to arrange to meet up."

Twenty-year-old twosome Lily and Holly enjoy each other's company. **Lily:** "I've gone down on Holly once. We get a little carried away when we hang out." **Holly:** "I'm obsessed with Lily's boobs. I have always thought she was hot as fuck, even before I met her." **Lily:** "Her boobs are my favourite, for sure." ***Had many raunchy boob encounters?*** **Holly:** "I've been with more girls than guys. It's more fun."

Holly: "I don't think I've had phone sex. I've had dirty conversations over text, but I think phone sex is weird. I'd rather them be there with me."

Lily "When I was seeing a guy I should not have been with. The sneakiness made it so hot."

SKY

MELBOURNE, VIC

Poor Sky had to work in a shitty bakery in England to afford her trip to Godzone. "There was nothing glamorous about it – but I'm stoked that I've arrived," purred the naturally stacked 21-year-old. "I'm gunna head up north to the beaches and sunshine." ***Has it been hard finding a root?*** "No, my sex life has been picking up since I arrived. There's plenty of guys in the hostels I stay at, though sometimes it's hard to get privacy. Often I'll be trying to do it quietly while some weirdo in a bunk across the room is listening in." ***And probably having the best wank of his life! What do you wanna do before you leave?*** "Sleep with more Aussie men – they're big and handsome."

"I've had sex in a plane"

VALENCIA

AUCKLAND, QLD

We meet Home Girls from all walks, but this is the first SKYDIVING INSTRUCTOR we've had posing nude. "It's a great job and I've never had a single problem," yelled Valencia, probably while falling out of a plane. "The adrenaline rush and the feeling of free-falling is one of the best things in the world." ***Better than a Wellington?*** "Yes, sometimes. It depends how good the sex is." ***Maybe you should combine the two!*** "That would be nearly impossible, but I might try it one day. I have had sex in the plane before I jumped; that was a lot of fun. You PICTURE people should come and have a jump." ***As long as you've got a pair of ADULT NAPPIES we can wear.***

"We all ended up naked in the living room"

KJ
SYDNEY, NSW

Thirty-year-old KJ is back from a swinging holiday. "It started out as a few drinks and strip Jenga and somehow we all ended up in the living room naked having fun." ***How do you find fellow swingers?*** "On a camping trip; they were friends of friends who came along and then had a night out and few of us broke off." ***Ever had two dicks in your mouth at once?*** "I have quite a bit of skill in that area."

TELL US ABOUT YOUR HOTTEST PHONE SEX EXPERIENCE. "One of my besties and I were making cocktails at home and I got a wrong number on my mobile. For laughs, we decided to try to get the person to stay on the line and we told him all about the sexy fun we were having. The call went for an hour; mission complete!"

MIKAYLA PHOENIX

GOLD COAST, QLD

"The oddest place I've had sex is in a very full parking complex," says 20-year-old Mikalya Phoenix. ***Did any passers-by get a free show?*** "There were people who walked past, but I'm not sure any of them figured out what was going on." ***You like public sex?*** "I love sex in general. I've done it on my lunch breaks at previous jobs, on the beach, on balconies on high rises." ***You enjoy the chance of getting caught?*** "I enjoy the spontaneous." ***Tell us more.*** "Once I delivered pizza to someone that I knew and decided to sleep with them there." ***When it comes to extras with your order, that certainly beats a free garlic bread.***

TELL US ABOUT YOUR HOTTEST PHONE SEX EXPERIENCE. "I like to video myself and listen to the guy coming to it on the phone."

"I like to eat out," explains 21-year-old nurse Beatrice. ***Like a bowl of linguini vongole at a nice Italian restaurant?*** "No, like a hot girl's pussy… then maybe some nice Italian food!" ***Is your diet strictly fish tacos?*** "I like guys as well. My friends call me a try-sexual, because I'll try anything once." ***Have you tried anything recently that you enjoyed?*** "I had my first threesome just the other week. It was with another girl and her fuck buddy." ***Give us the fantastic filthy details…*** "I got a text one Saturday night from her asking if I'd be keen to come round for a few drinks with the two of them and when I got there we got straight to business. NEW & IMPROVED FORMULA

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of ALL NEW TESTRONE X-TREME have been shown to increase both testosterone and nitric oxide in the blood. Commonly known as the "Viagra of the Amazon", Muira Puama is a powerful ingredient known to help increase blood flow to the penis. In so doing it expands the vascular system and interior cavities making your erection larger and harder. PLUS Tribulus Terrestris which has been used in traditional Chinese and Ayurvedic cultures for thousands of years. Only the best ingredients of the highest quality are ever used in our formulations.
